

KSU 1101

An elective course for first-time first-year students and transfer students with fewer than 30 credit hours designed to acquaint students with the campus and its programs. The course fosters links between student needs and campus resources and emphasizes the development of college survival skills (study methods, time management and effective oral and written communication). Also aids students in selecting majors, identifying career interests, and developing good relationships with students and faculty.

Skills Developed

Communication

communicating through technology, information and experiences pertaining to my life.

Organizational
